AGENDA ITEM 4  
WORK SESSION ITEM \_\_\_\_\_

**TO:** Mayor and City Council  
**FROM:** Director of Community and Economic Development  
**SUBJECT:** Final Tract Map 7306 –Olson-Hayward IV LLC, a California Limited Liability Company (Subdivider) – Approve the Final Map and Authorize the City Manager to Execute a Subdivision Agreement

**RECOMMENDATION:**

It is recommended that the City Council:

1. Find the final map in substantial conformance with the tentative map and the conditions of approval thereof;
2. Authorize the City Manager to execute the subdivision agreement covering the installation of the required improvements; and

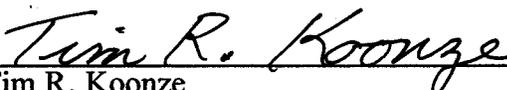

**DISCUSSION:**

On May 10, 2001, the Planning Commission approved Use Permit No. 01-160-02 and Tentative Map Tract 7306 for development of 19 single-family detached condominiums on a 1.8-acre site at the northwest corner of O'Neil and Orchard Avenues. The project is consistent with adopted land use policies of the Housing Element of the General Policies Plan and the Mission-Foothills Neighborhood Plan. Both encourage high-density housing and opportunities for home ownership.

The final tract map was reviewed by the City Engineer and was found to be in substantial compliance with the tentative map and in conformance with the Subdivision Map Act and provisions of local ordinances. The developer has submitted the subdivision improvement plans and has posted a security for faithful performance of the improvements in the amount of approximately \$104,000.00 and an equal amount for labor and materials.

When the subdivision was approved the private street serving the project was relocated in order to save a large bay tree located along O'Neil Avenue. The City has received a \$25,000.00 tree bond as security for the protection of that 3-foot diameter bay tree, a 2-foot diameter redwood tree, three cedar trees, a California pepper tree and three pine trees. The subdivider must incorporate tree preservation measures for these trees during construction.
